

Hi All Club Members,

This is a call out for all volunteers for the Club's Expo that we are hoping to hold this year. The dates are November 13th and 14th. We will gather at five at the Convention Center on Thursday 12th to put the frames up, put the programs together and do other chores necessary for the show. Because of COVID 19 some members have said they will not be attending. I need a head count to see if we will have enough volunteers to run the show. The Club will provide hand sanitizers and masks for those who forget to bring one.

Facemasks/coverings will not be voluntary, everyone, even dealers will need to be wearing one. Everyone will have their temperatures taken before they can entry the Hall. Anyone with a temperature of 100 degrees or more will be asked to leave. Temperatures will be taken at the very front door, not at the sign in table, as people come in. Social distancing will be practiced to the best of our available. As visitors proceed to the registration table they will be asked to fill out a basic waiver con-firming form that they do not have a list of coronavirus symptoms and that they will not hold the

show liable if they contracted COVID 19 during the show. All attendees will also fill out a detailed contact information form that if a confirmed COVID 19 case from an attendee or dealer is reported in the days after the show, then all visitors will be contacted. If you would like to volunteer, we would be most appreciated. As in years pass there will \$20 gift certificates handed out every hour on the hour both Friday and Saturday and two on Thursday. Box lunches will be available for those who want one from Jayson's Deli, usual price of \$8.00. Please reply to this email if you can help.

Thanks,

Judy
